To **Mr. Claus Kaminsky**
Lord Mayor of Hanau

Esteemed Lord Mayor Mr. KAMINSKY,

On behalf of the citizens of Nilüfer and in my personal capacity, I am writing to express our deepest solidarity and heartfelt condolences as you mark the anniversary of the horrific terrorist attacks of February 19, 2020.

As Hanau's partner city, we do not view this tragedy as yours alone. Nilüfer stands shoulder-to-shoulder with Hanau. We admire the resilience your city has shown in the face of such darkness and your commitment to ensuring that "Never Again" is not just a slogan, but a lived reality.

Please convey our support to the families of the victims and to all the people of Hanau.

You are in our thoughts and our hearts today and always,

Sincerely,

Şadi ÖZDEMİR
Mayor of Nilüfer
